# Youth Build

We are grateful for these major sponsors of the 2013 Youth Build:

**The Kiwanis Club of Montgomery**

**The Daniel Foundation**

**Bank of America**

*Habitat believes that changing the cycle of poverty starts with safe, affordable housing. Montgomery Habitat for Humanity's Youth Build has a goal of raising \$60,000 and utilizing Youth Build volunteers to rehabilitate homes for three hard working Montgomery families during the 2013-2014 school year. We need your help.*

To contribute, call 832-9313 and help us build a **better** Montgomery.
